 Foundation: Crawl Space

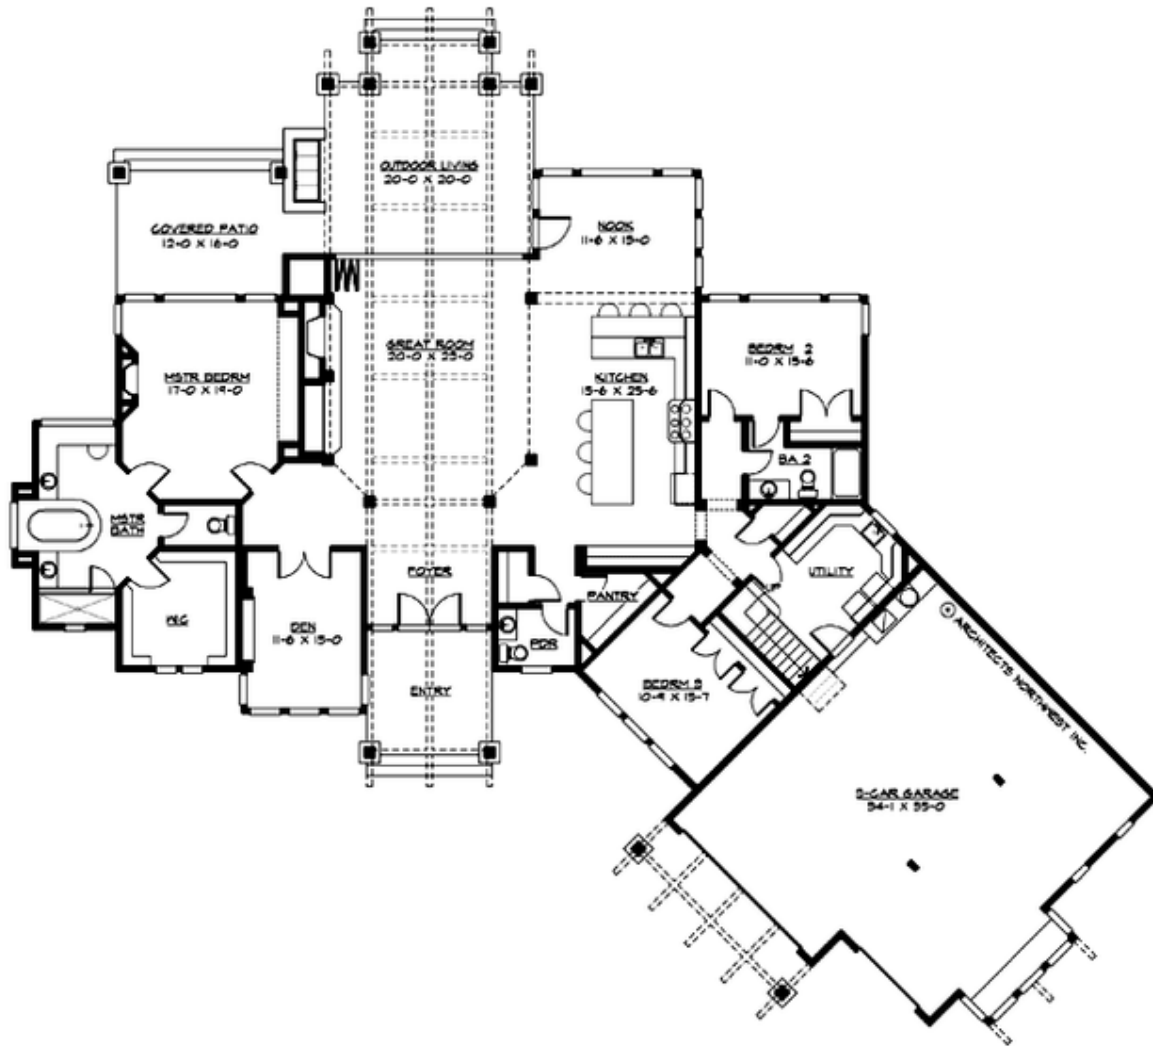

This Grand Craftsman Lodge Brings the Outdoors in.

Designed as the offseason home for an NFL QB, the Mansfield Meadows combines a powerful central axis, grand vaulted ceilings, timber beams and trusses, folding NanaWall glass doors and endless windows to connect its occupants to the landscape. The spacious floor plan is perfect for an informal, active lifestyle, featuring large covered BBQ and sun porches adjacent to a wide-open great room, multi-windowed nook and gourmet island kitchen. The work-at-home den and luxury master suite with grand bath and walk-in closet are segregated for maximum owner privacy. The powder room and pantry, two secondary bedrooms, a common bath, a large utility room, and stair to the huge bonus room over the 3-car garage complete his graceful residence.
