Foundation: Crawl Space

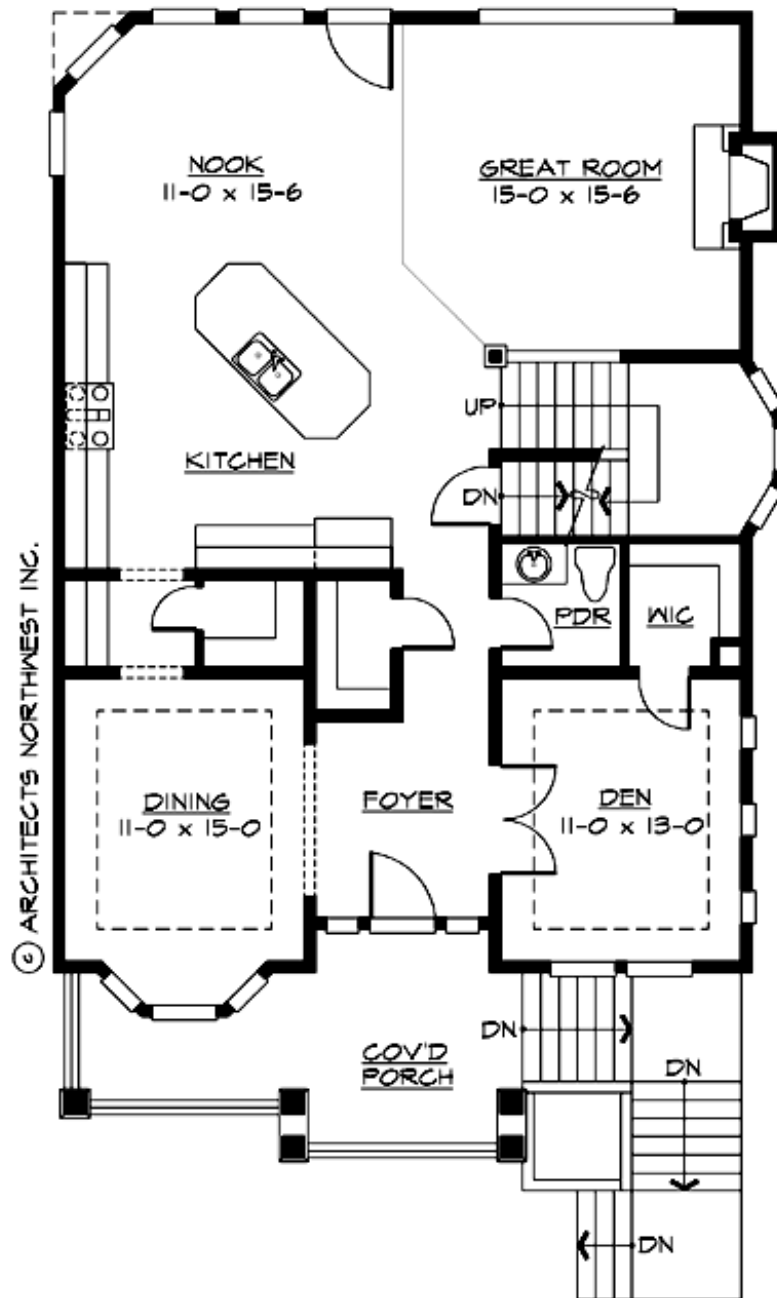

Rugged Lodge Style Fits Narrow Uphill Lots.

Hillsides are the domain of this compact, vertical rustic craftsman design. The Summit's stone and shingle details create the timeless image of its namesake. A great match for modern lifestyle, the great room plan includes a formal dining room and work-at-home den. The extra-deep garage has additional room for a shop or storage. An open, vaulted bonus room anchors the upper floor, complimented by a deluxe master suite, two secondary bedrooms, a bathroom and laundry.
