A timeless bungalow perfect for narrow city lots.

This appealing urban design combines a classic bungalow exterior with an interior highlighted by a dramatic 2-story nook and stair. Formal living and dining rooms and a work-at-home den greet the visitor on arrival from the broad front porch, with the large, open and informal living spaces privately set to the rear. A detached garage is reached through the laundry room and rear porch. A spacious master suite with a roof deck, two secondary bedrooms, a large compartmented bath, and a large bonus/media room round out the second floor.
